# FACTS

"It has been a very challenging journey from the start of our company in 1986 until today. Having started as a small family business, we are now one among the top construction companies. Our major challenge today is to sustain the growth we generated till date. We are proud of our past and we have an active present and we look forward to a promising future."

Khalid Bashir  
C.E.O

1986  
1998

Friends since Grade 6th, Mr. Khalid Bashir and Mr. Shujaat Ahmad laid foundations of Ittefaq Concrete in 1986. They shared a vision of making it a construction company that is self-sustainable and trusted in the community. Together they worked hard to set a solid platform to achieve their goals.

1998

Ahmad Concrete merges in Ittefaq Concrete. Mr. Waqar Ahmad is unanimously selected as Chairman of the company. New board of directors (Mr. Khalid Bashir, Mr. Shujat Ahmad, Mr. Abdullah Ahmad and Engr. Hafiz Abdullah Mahmood) works under the kind chairmanship of Mr. Waqar Ahmad to introduce new heights of success to Ittefaq Concrete.

1998  
2014

Ittefaq Concrete achieves several milestones in the field of construction of all types. The group expands its horizons into precast, housing and tried its luck in poultry also. Having a solid client base in almost all sectors of the society, the company continues to grow in construction and related fields.

2014

The Company decides to revamp its structure and marketing strategy. New logo along with new brand names under ITTEFAQ GROUP are introduced in the market. Change in strategy is welcomed by the clients and strategic partners. Modernism and innovation is made one of the main focus.

PRESENT

Leadership is gradually transferred to the younger generation. New board of directors is constituted. Under the chairmanship of respected Mr. Waqar Ahmad, Mr. Essa Khalid and Mr. Yahya Khalid join Mr. Khalid Bashir and Mr. Abdullah Ahmad in the new board to take hold of the gears. Goals are set even higher this time. Vision is instilled to the employees. The Group invests heavily in recruiting the best talent. The team is young, energetic and ready to take the Group to the new heights!

At the heart of our company is a strong commitment to provide our clients an optimum world class service distinguished by technical project management expertise. Our progress has been based on strong ethical values, high standards of quality and above all strong management.

We have a judicious mix of youth and experience in our team along with a clear focus to nurture talent and promote innate potential of our employees. Every employee in the organization endorses the company's vision and is groomed to handle both internal and external business challenges.

There are all the unique operational qualities. We contribute to our esteemed customers for making their product second to none in these competitive and borderless markets.

# Our Valuable Clients

*"Our clients are our most valuable assets"*

"I have been very impressed with the workmanship especially with respect to speed and finishing works. Their professionalism, dedication and reliability is outstanding and they made the whole project a stress free experiences. I wouldn't hesitate to work with them again. I wish them best of luck"

Akhtar Adil  
Lal Qila

"We are pleased to certify that ITTEFAQ GROUP has constructed our company's spinning mills and allied structures, ginning factory, power house and executive bungalows. Their team was devoted to the project and skilled in their professional efforts. Their team members went out of their way to resolve any problems or obstacles in a way that accomplished our goals."

Bashir Ahmad Chaudhry  
Executive Director  
Alhamd Corporation Pvt Ltd.

"Our company entrusted Ittefaq Building Solutions with the construction of our Office Block and Warehouse. We were pleasantly surprised and remain deeply impressed with their dedication and professionalism, and look forward to both buildings being a source of continued satisfaction and pleasure for us for years to come. they have earned our trust and respect the way it should be earned. We wish them success in their future undertakings."

Abdul Haye Mehta  
Ex Chairman Pakistan Poultry  
Association  
Mehta Brothers Pvt Limited.

"We evaluated several builders and spoke to friends who had gone through the home construction process. ITTEFAQ HOUSING SOLUTIONS consistently had the best reputation for customer satisfaction, price, quality and reliability. We've been extremely pleased and if we build again, would choose ITTEFAQ without hesitation."

Mian Naeem  
Deluxe Footwear

Ittefaq Building Solutions – formerly Ittefaq Concrete, is the lead brand of Ittefaq Group. The company has established its name in the field of Construction Management, Planning, Designing and Execution. During its past decades, the company has completed medium and large size construction projects to the utmost satisfaction of clients in categories ranging from Industrial, Commercial and Institutional Sector to High Rise Structures.

A photograph of a McDonald's restaurant building under construction. The building is a single-story structure with a modern design, featuring large glass windows and a dark facade. The McDonald's logo is visible on the building. In the foreground, there is a large, white, rectangular structure that appears to be part of the construction. The text "Setting the Standards" is overlaid on the bottom of the image in a large, white, serif font.

“Setting the Standards”

Ittefaq Group is one of the leading players in Precast with its brand Ittefaq Concrete Solutions. The brand is well known for its professional sales team, quality and after sale services.

- ◆ Girders
- ◆ Double Tee
- ◆ Beams
- ◆ Slabs
- ◆ Boundary Wall Columns
- ◆ H Pre-cast Columns & Planks

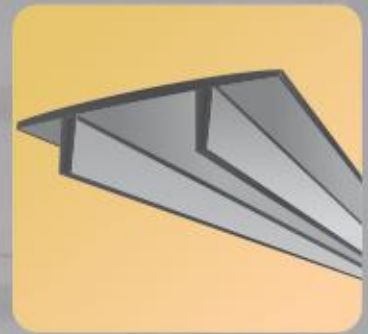

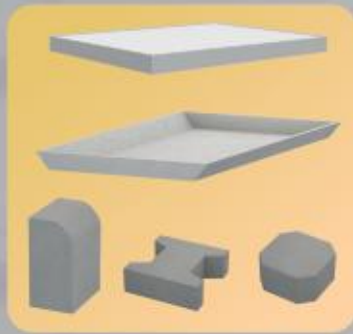

A large-scale photograph of a precast concrete manufacturing yard. In the foreground, numerous long, rectangular concrete beams are laid out in neat rows on a flat surface. In the background, there are stacks of more concrete components, including what appear to be double-tee beams and columns, organized in a systematic fashion. The overall scene depicts a large industrial facility for precast concrete production.

Small enough to Listen.  
Big enough to deliver.
